INFORMATION ON THE AWARDS

The Boutique Hotel Awards is the first and only international awards organisation exclusively dedicated to recognising unique excellence among boutique hotels. The Awards, now in its 8th year, honours the people behind these outstanding properties and brings together members of **The Master Key Society**; where relationships are built exclusively among the Award Winners by facilitating hotel exchange visits between them.

AWARDS PROCESS

What makes a Boutique Hotel Award meaningful? Simply put, the hotels and private villas are *actually visited*. It is the only independent awards organisation in hospitality where each and every property is visited personally by an experienced hotel judge, who specialises in each category, and where decisions on winners depend on true first-hand guest experience at the property.

The winners were selected from over 300 Nominees in over 80 countries. Each entrant was nominated by a member of the Awards Nomination Committee, comprising 70 leading trailblazing travel experts, whose business it is to be 'in the know' concerning the extraordinary boutique hotels. The Awards then coordinate judge evaluation visits with each shortlisted nominee. The judges document all aspects of the guest experience covering six categories: dining and entertainment, design, facilities, location and, most importantly, staff service and overall emotional impact. Finally, these extensive hand-written evaluations are meticulously studied by our Awards Panel, which decides our regional and World's Best Award winners.

QUOTES FROM THE NIGHT:

"The Boutique Hotel Awards continue to be a star studded, must attend, essential date in the world's perpetual calendar. The results continue to matter, as the accolades reward all those teams who work so hard within their businesses. Congratulations to each entrant and every winner"

- Robin Sheppard, Cofounder and Chairman of Bespoke Hotels, Keynote Speaker 2018

"It's an honour to have hosted the Boutique Hotel Awards for the third year running. What's remarkable is that every winner stands for making their dream come true and each founding story could make a synopsis of a film. It's all about sharing your passions and executing it in the best way possible. Also offering a unique experience is the name of the game, not only in the Hotel industry. As a founder of an eco-luxury skincare line I can identify strongly with all of these concepts. I feel very close at heart with our winners!"

- Elisabeth Visoanska, Founder of Visoanska, Boutique Hotel Awards Host 2018

"The Boutique Hotel Awards 2018 Ceremony was an exciting and invigorating night that has been thoroughly enjoyed by everyone who attended. I am so proud to be a part of an organisation that recognises the passion and hard work of our winners and nominees, creating outstanding, unique luxury hotels and villas around the globe. Congratulations to everyone involved."

- Bianca Revens, Managing Director, Boutique Hotel Awards 2018

"I am certainly very thankful for the award and humbled by this incredibly prestigious honour. Awarta's vision and mission has always been to build a hotel, a resort by simply allowing the existing culture to flourish into the care of welcoming people with genuine warmth and bespoke luxury services - that travellers from anywhere around the world coming to Bali will always return to what they can call their 'home'. It has also been a dream being with the Boutique Hotel Awards and being able to share this ascend amongst distinguished global hoteliers - together we are shaping and transforming the standard of service and quality of hotels and resorts around the world to the next level and beyond. Leading Awarta to this day and honour would not be complete without the support from our family, friends and our God. So thank you very much for this award and honour. With this, we will always serve from our heart and bring more pleasant surprises for everyone, from Awarta."
